

Hello there, brave coder and intrepid tester!

If you're reading this message in your console, then HUZDAH! It means a few awesome things have happened:

The script successfully wrestled with this PDF file and extracted this very text! VICTORY!

I'm going to leave another text example, featuring this dialogue taken from one of my favorite movies: Shrek

Shrek Dialogue Snippet (The "Onions" Scene):

Here's the dialogue snippet:

Donkey: Can I stay with you? Please?

Shrek: Alright, alright. But one night only.

Donkey: Ah, thank you! It's gonna be fun! We can stay up late, swappin' manly stories, and in the mornin'... I'm makin' waffles!

(Later, by the campfire)

Shrek: For your information, there's a lot more to ogres than people think.

Donkey: Example?

Shrek: Example? Okay, um... Ogres are like onions.

Donkey: They stink?

Shrek: Yes... NO!

Donkey: Oh, they make you cry?

Shrek: No!

Donkey: Oh, you leave 'em out in the sun, they get all brown, start sproutin' little white hairs?

Shrek: NO! Layers! Onions have layers. Ogres have layers! Onions have layers. You get it? We both have layers.

Donkey: Ohhh, you both have layers. Oh. You know, not everybody likes onions... CAKE! Everybody loves cakes! Cakes have layers!

Shrek: I don't care... what everyone likes! Ogres are not like cakes.

Donkey: You know what ELSE everybody likes? Parfaits! Have you ever met a person, you say, "Let's get some parfait," they say, "Heck no, I don't like no parfait"? Parfaits are delicious!

Shrek: NO! You dense, irritating, miniature beast of burden! Ogres are like onions! End of story! Bye-bye! See ya later.
